President of Graphic Communications Managment Association

Advertising Production Club of New York

Congregation B'nai Olam

I have an accomplished record of print and web/interactive design experience, with a solid knowledge of design principles, a keen understanding of layout and typography, experience in creating user interfaces, working knowledge of web production, and the ability to think conceptually.

I am currently pursuing a Master's degree at New York University in Graphic Communications Management and Technology.

Graphic Designer ..... 2007 – August 2009

NYC Department of Education, Web Management Services

- Create design prototypes, including graphic design, web-based layout, and layout of content, for company web applications.
- Meet with the business analyst, developers and clients to discuss ideas for the layout and organization of the application, the type of colors or images to use, and other matters concerning overall graphic design.
- Write web pages in a combination of codes, such as HTML and XHTML, CSS, as well as the ability to work with Javascript, and .Net code.
- Responsible, detail oriented and have strong eye for balanced, attractive design and typography.
- Great eye for layout and thorough understanding of User Interface Design.

Designer ..... 2003 – 2007

Standard & Poor's, Production & Design Group

- Update and develop web sites, including preparation of a site map, planning navigation, and designing Flash animations.
- Produce and edit videos for use on the web and for television broadcasting.
- Address process improvements: technology fixes, software enhancements.
- Develop and design tradeshow booths and marketing collateral.

Production Coordinator

Standard & Poor's, Production & Design Group..... 2001 – 2003
Standard & Poor's, Events Marketing ..... 1996 – 2001

- Prepared page layout of complex print products and performed HTML conversions.
- Designed brochures, marketing kits, sales sheets, invitations, save-the-date postcards and posters.
- Designed PowerPoint presentations.
